Hey there guys. Would you like a banana? What's wrong with you. Brian? You're a Piranha. Brian is a piranha. He is also a vegetarian. But do you think he can convince his family to join him?

### **Themes:**

- Being different
- Trying new things
- Piranhas

### **Discussion Points:**

- Do you know what a 'piranha' is?
- What is one distinct feature that piranhas have?
- Where do they normally live and what do they normally eat?
- How did Brian feel when his friends didn't want a banana?
- What characteristics did Brian show throughout this story?
- Why do you think they wouldn't initially try fruit and they said that they don't eat veggies or greens either? Do you think they just didn't want to try new things?
- What are some foods that you have never eaten? Why haven't you tried them? Do you think that you just won't like the taste?
- Do you think you should try some new things?
- What is your favourite fruit? Why?

### **Activities:**

- Make your own fruit platter out of paper mache. You may like to look up some ideas for this on the internet. Once finished, make a 'real' fruit platter too, and compare how they all the fruit looks.
