Themes:

- Playing
- Imagination
- Helping others
- Hospitals

Discussion Questions:

- What was wrong with Billie when she got to kinder?
- Have you ever hurt yourself like Billie did?
- What was wrong with Teddy?
- Do you like to play games and use your imagination like Billie and Jack did when they played 'animal hospital'?
- What are some of the games that you like to play with your friends?
- Can you recall which animals were in the waiting room at the hospital, and what was wrong with them?
- What did Doctor Billie and Nurse Jack give to their patients when they were brave? Why do you think they gave them this?
- Who did Billie and Jack forget about in the waiting room?
- How did Billie fix her own knee and feel better?
- Have you ever been to a real emergency room? If so, how did you feel about being there?
- Make a list of all the people who help sick people and some of the equipment that you might find in a hospital.

Activities:

- Design and make your own 'first aid' kit. You may like to include a mix of real items and pretend ones, just like Billie used.
- In groups, make your own ambulance and decorate them in a unique way.
