YEAR 6: Important Information

Please bring ALL purchased supplies from the booklist to school on your child's assessment day.

The following items are also required for your child's use at school:

- 1 Smock or Shirt (Available from Uniform Shop)
- 1 School Bag
- 1 Pencil Case
- 1 Waterproof library bag (Available from Uniform Shop)
- 1 Lunch box and drink container
- 1 Drink bottle (for water in classroom) Pop Top preferably
- 1 Sunblock roll-on 30+ (not coloured)

Calculator for Year 6

As stipulated overleaf, it is suggested that students purchase a scientific calculator (one that is used in Year 7 at St Francis Xavier College).

However, if you would prefer to download an app that holds the same functions and displays more than 7-digit numbers as afore mentioned. (Note: at present iPads may not be permissible in Year 7 assessment conditions).

Please ensure that similar functions are available as we instruct the students on calculator use and apply digital technologies to ensure their equations.

Parents will be informed early 2017 if there is a particular app that is requested.

If you have any further queries, please contact a member of the Year 6 team.
