

Primary Non Fiction Highlights

Primary Non Fiction  
Book of the Month

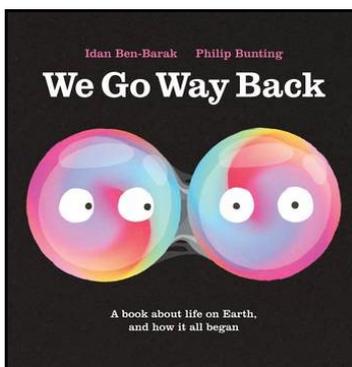

***Great White Shark*** by Claire Saxby & Illustrated by Cindy Lane

ISBN: 9781760651848 SCIS: 5364867

A stunning addition to the Nature Storybooks series, *Great White Shark* tells the real story about one of the planet's most fascinating and misunderstood creatures.

The great white shark swims on.  
Her tail sways side-to-side;  
her fins keep her balanced.  
She travels the fast lane  
where she can, cruising  
invisible seaways

In *Great White Shark* we follow a female shark on her way to warmer waters to give her pups the best chance of survival. Set in a stunning underwater world, Claire Saxby's signature poetic prose and Cindy Lane's sublime illustrations showcase the grace, majesty and power of one of the ocean's top predators.

***We Go Way Back*** by Idan Ben-Barak & Illustrated by Philip Bunting

ISBN: 9781760526085 SCIS: 5364870

An entertaining and scientific exploration of the origin of life on Earth, from the award-winning author of *Do Not Lick This Book* and the bestselling illustrator of *Who Am I?*

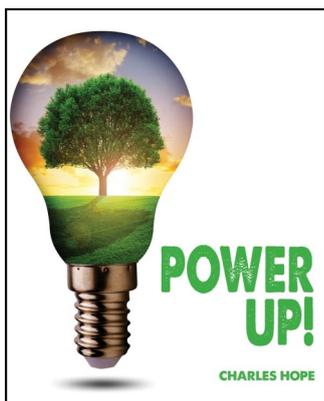

What is life?

How did it start?

Long, long ago, no one knows exactly where or when, a tiny bubble formed that was a Little Bit Different. It was the first living cell. Everyone's ancestor.

And so the story of life begins...

In this visually stunning and brilliantly devised picture book, Idan Ben-Barak and Philip Bunting lead us through the origin of life on our planet, and how an odd little bubble gave rise to the incredible web of life on Earth.

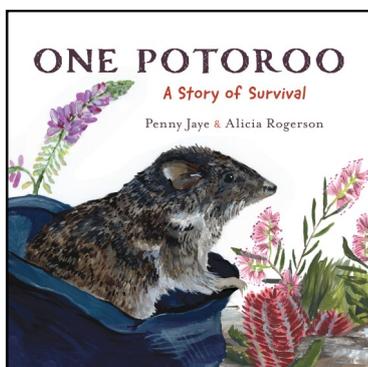

***Power Up! The Big Book of Energy*** by Charles Hope

ISBN: 9781742035918 SCIS: 5364843

Power. We need it to light our houses, heat our lounge rooms and make our cars move. Almost everything you use in a day needed power to make it, and to get it to you. Power is changing our world every day. But where does this power come from? Will it ever run out? How is it changing? Switch on with the latest in *Power Up!*

***One Potoroo: A Story of Survival*** by Penny Jaye & Alicia Rogerson

ISBN: 9781486314645 SCIS: 5368954

A conservation tale of the Gilbert's Potoroo – Australia's rarest mammal. When a bushfire destroys Potoroo's home, he becomes one of the last surviving Gilbert's Potoroos at Two Peoples Bay in Western Australia. Frightened, hurt and alone, Potoroo needs a new home – somewhere safe from predators and with plenty of his favourite food. Luckily, a team of conservationists know where Potoroo can go to be safe. *One Potoroo: A Story of Survival* is a beautifully illustrated book about the world's most endangered marsupial, the Gilbert's Potoroo, and the conservation work that has kept this unique Australian alive.

***Heroes, Rebels and Innovators*** by Karen Wyld & Illustrated by Jaelyn Biunaiwai

ISBN: 9780734419835 SCIS: 5364825

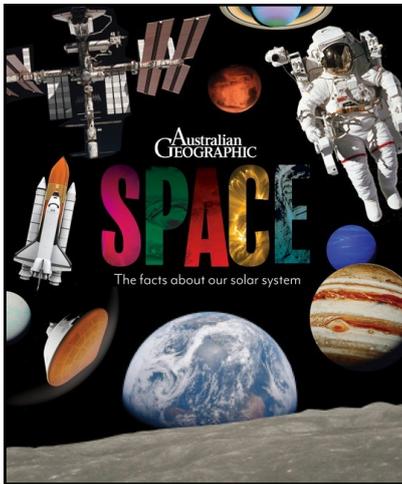

Be inspired and amazed by these incredible Aboriginal and Torres Strait Islander icons! With colourful artwork and evocative writing, this book tells stories every Australian should know. Powerful and exciting: here are seven inspiring stories about Aboriginal and Torres Strait Islander people from history. Each colourful spread in this illustrated book tells a compelling story.

**Deadly Science - Animal Adaptations** by Australian Geographic & Edited by Corey Tutt

ISBN: 9781922388155 SCIS: 5368963

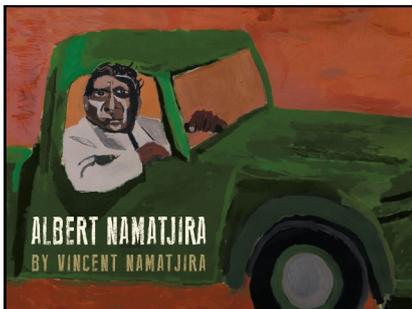

Living things are fantastically adapted to their environments. In order to survive, animals have developed features like thick winter coats, the ability to camouflage themselves and even techniques for going without water for long stretches of time. In this book, students investigate the different types of adaptations that animals might have to help them survive and thrive in their particular environment, and then explore a range of key Australian habitats, from deserts to rainforests.

**Space: The Facts About our Solar System** by Australian Geographic

ISBN: 9781922388254 SCIS: 5368998

Zoom into space with this guide to the universe. You'll learn everything there is to know about our Solar System, including detailed information on planets, moons and the Sun, as well as other interesting things found in space. Discover what it takes to become an astronaut, find out who's been to space, imagine what the future of space exploration might look like, and get a sneak peak at what life might be like on another planet. Get your spacesuit on and prepare for lift off!

**Albert Namatjira** by Vincent Namatjira

ISBN: 9781925936216 SCIS: 5369006

Award-winning artist Vincent Namatjira tells the life story of his great-grandfather, Albert Namatjira, one of Australia's most iconic artists. Vincent's witty and moving paintings are accompanied by evocative text, which records the pivotal moments in Albert's life. In telling his great-grandfather's story, Vincent builds a compelling picture of the times and conditions in which Albert lived and worked, capturing his triumphs and tragedy against a backdrop of social change and historical injustices. This poignant children's book provides an important tool for discussion about Australia's art history, and a launching pad for exploration of the key moments in Australia's Aboriginal Rights movement. *Albert Namatjira* is a unique children's picture book of both artistic beauty and historical importance.
